TEACHING AND STUDENT RELATED ACTIVITY

Teaching

Guest Lecturer Charite University, Berlin (2021-2022) on the Masters in International Health course.

- Health in All Policies module – Commercial Determinants of Health lecture (2021 and 2022)
- Global Oral Health module – Priority setting in global oral health lecture (2022)

Other Education Related Activities

- Invited student representative (written feedback and presentation) to the European Commission stakeholder consultation on dental education law. Presented on the inclusion of public health, planetary health, and digital health within the undergraduate student curriculum.

LEADERSHIP AND MANAGEMENT ROLES

European Dental Students' Association

President (2020-2021), Policy Officer (2019-2020), Vice President for Public Relations (2018-2019)

- Representing 70,000 dental students across 33 countries, in charge of a team of 13 and a 6-figure budget.
- Coordinated a global, inter-professional [consensus statement](#) on the WHO Oral Health Resolution.
- Helped to organise an in person European conference for 140 people in Kosice, Slovakia in 2021.

Youth for Sustainable Oral Health

Co-founder (2021-2023)

- Civil society organisation promoting the integration of sustainability into oral health systems and the inclusion of planetary health into dental education.

- Led the development of the YSOH Manifesto and presented this at COP26 satellite event run by the University of Glasgow and Charité University Berlin.

Alliance for a Cavity Free Future, UK Chapter

Co-founder and committee member (2021-Present)

- Charity and knowledge transfer organisation based at Kings College London.
- I have contributed to the UK chapters focus on integrating modern prevention into clinical guidelines.

KNOWLEDGE TRANSFER AND EXTERNAL ENGAGEMENT

- I wrote a policy briefing for the Deputy Chief Dental Officer in 2021 titled: Overview on Economic Evidence for Preventative Oral Health Interventions.
- Invited by WHO to give feedback and suggest amendments to the World Health Organisation Global Oral Health Action Plan.
- I ran a workshop with dental students for UNESCO Futures of Education report.
- Undergraduate representative in the Health Education England review into dental workforce reform in England in 2019

CLINICAL AWARDS

- Winner of “Best Foundation Dentist Clinical Case Presentation for London, Kent, Surrey and Sussex Region” - 2022
